

FRAMLINGTON EQUITIES

AXA Framlington Monthly Income Fund

Charges

The charges you pay are used to pay the cost of running the fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest

Entry charge	none
Exit charge	none

This is the maximum that might be taken out of your money before it is invested.

Charges taken from the fund over a year

Ongoing charge	0.84%
----------------	-------

Charges taken from the fund under certain specific conditions

Performance fees	none
------------------	------

The entry and exit charges shown are maximum figures. In some cases, you might pay less - you can find this out from your Financial Adviser.

The ongoing charges figure is based on expenses for the twelve month period ending December 2017. This figure may vary from year to year. It excludes:

- Performance fees
- Portfolio transaction costs, except in the case of an entry/exit charge paid by the Fund when buying or selling units in another collective investment undertaking

For more information about charges, please refer to AXA IM website: <https://retail.axa-im.co.uk/fund-charges-and-costs> as well as the Fees and Expenses section of the prospectus which is available at www.axa-im.com.

Past Performance

Past performance is not a reliable indicator of future results.

Past performance is shown after the deduction of ongoing charges. Any entry/exit fees are excluded from the calculation.

The Fund was launched on 26/10/1984 and the unit in 2012.

Past performance has been calculated in Sterling and is expressed as a percentage change of the Fund's Net Asset Value at each year end.

The Benchmark is the 100% FTSE All Share Total Return Gross (FTPTTALL).
