How are service fees collected?

The Platform will pay our service fee automatically by unit deduction each month and taken from your largest holding. If you wish fees to be paid from a different fund, please request this from us. Alternatively, fees can be paid from your platform cash account, but there will need to be enough money in this account to cover all fees and may need topping up on a regular basis.

Service Fee Agreement:

By signing this form, I agree to pay **Seymour Sinclair Investments (SSI)** the service Fee(s) as stated on this form and in accordance with the **FundsNetwork (FN)** and **AegonClient** Terms. For the purpose of paying these fees I authorise and instruct FundsNetwork / Aegon (the **Platform**) to sell units/shares from the fund nominated by me or deduct monies from my applicable Cash Account or redeem units/shares from my largest fund holding. I understand that the **Platform** will receive the money from such sale, deduction or redemption as agent for my adviser, and that such money will become irrevocably due and payable to SSI on receipt by **the Platform**, to satisfy the Adviser Fees. The **Platform** will hold this money in a corporate account as agent of SSI until payment is made to SSI. I understand that my liability to SSI in relation to the fee will be discharged on receipt of the fee money by **the Platform** as my adviser's agent. Redemptions from my investments for ongoing fees will normally be made no later than the 10th of each month. I confirm that I have received a personalised illustration that shows the effect of the fees agreed on my investments. I understand that my regular contributions will not change should the Adviser Fee agreement be terminated. We may have to send you a further agreement to be signed, if requested to do so by the **Platform**.
