PLAN SUMMARY

Plan Type

Capital Protected Kick-Out Plan.

Kick-Out Feature

If the worst performing Underlying closes at or above the Kick-Out Barrier on any semi-annual Observation Date, the Plan will mature early (kick out) and you will receive your Initial Capital, plus a Potential Investment Return of 4.5% for every 6 months the Plan has existed (9.0% p.a.). The first Observation Date on which an early maturity could be triggered will be 20 September 2027.

Underlying

Aviva PLC (AV/ LN)
Barclays PLC (BARC LN)
Shell PLC (SHELL NA)

Investment Term

A maximum of 6 years.

Capital Protection

Your Initial Capital will be returned in full at Maturity, subject to Counterparty solvency, regardless of the performance of the Underlying.

Counterparty Risk

The Counterparty of the Securities is BNP Paribas. If the Counterparty were to fail or become insolvent, you could lose some or all your investment and any return that may be due, irrespective of the performance of the Underlying.

Early Withdrawal

If you need to withdraw your Investment in the Plan before the Maturity Date, you may receive back less than you invested.

Opening Level

The Closing Level of the Underlying on the Start Date.

Closing Level

The Closing Level of the Underlying on the Final Observation Date.

If the Closing Level is not published by the Underlying Sponsor on either the Start Date, an Observation Date, or the Final Observation Date, the next Scheduled Trading Day will be used to determine the Closing Level of the Underlying.

This Plan is offered in the UK to persons aged 18 or over. This Plan may not be offered or sold within the United States or to, or for the account or benefit of a US resident or US Persons (as defined by the Securities Act 1933).

HOW DOES THIS PLAN **WORK?**

It is important to understand the features of any investment product before you decide whether to invest in it. The information set out below is to help you decide whether this Plan meets your investment needs.

Any subscription will be invested in Securities issued by the Issuer, which are designed to have the characteristics required to achieve the investment objectives of the Plan. The Potential Investment Return from the Plan is linked to the performance of the Underlying.

Possible early maturity during the Investment Term

The Plan has a feature which means that it may mature early (kick-out) on specific Observation Dates depending on the level of the Underlying.

If the Closing Level of all the Underlyings is at or above the required Kick-Out Barrier on an Observation Date, the Plan will mature early, and you will receive your Initial Capital back plus the Investment Return stated in the diagram.

However, if the Closing Level of the worst performing Underlying is below the required Kick-Out Barrier, the Plan will continue to the next Observation Date.

POTENTIAL INVESTMENT RETURN EXPLAINED

Below is a payoff diagram demonstrating how this Plan works:

Where the Plan has not matured early it will run for the full 6 year term. If the Closing Level of the worst performing Underlying on the Final Observation Date is below 90% of it's starting level you will receive back your Initial Capital only, with no return from the plan.

However, the risk to your money has not been eliminated as your initial capital is dependent on the Counterparty being able to pay the amounts due from the Plan. This is known as Counterparty risk.

You should also understand that you will not be entitled to receive the dividends that could normally be available if you had invested directly in the companies.

THE RISK TO YOUR CAPITAL

If the Plan has not matured early, the table below shows some examples of repayment of your Initial Capital and Potential Investment Return in a range of scenarios at Maturity. Examples are based on an Initial Capital Investment of £10,000.

Final Level of the worst performing Underlying in relation to the Opening Level	Amount of your Initial Capital repaid to you	Investment Return you will receive from your Investment
+10	£10,000	£5,400
0%	£10,000	£5,400
-10%	£10,000	£5,400
-50%	£10,000	£0
-75%	£10,000	£0

IMPORTANT: The table does not give predictions of what we believe an investor might receive. It is designed to illustrate how the return of the money invested in the Plan is calculated. You should be aware that you could lose all your money. Irrespective of the performance of any Underlying, your Initial Investment and the potential returns from the Plan are at risk if the Counterparty were to fail or become insolvent.

THE UNDERLYING

Your money is not invested directly into the Underlying. However, your Potential Investment Return is dependent on the performance of the Underlying, it is important to understand what it is and how it could affect your money.

Historical prices of Aviva PLC in GBp
Aviva PLC operates as an international insurance company that provides all classes of general and life assurance, including fire, motor, marine, aviation, and transport insurance. The Company also offers a variety of financial services, including unit trusts, stockbroking, long-term savings, and fund management.

It is important to note that you will not be entitled to receive the dividends that could normally be available if you had invested directly in the companies.

RISKS INVOLVED IN THE PLAN

Counterparty Risk

There is a risk that the Issuer could go into administration, become bankrupt or collapse. This would mean that it could fail to make the payments due in relation to the Plan. In the event of this happening, you could lose some or all your investment as well as any of the returns to which you may otherwise have been entitled.

Market Risk

If a global economic recession occurs, the financial markets may become much weaker. The markets can also be disrupted by political or climatic events. Changes in economic policies, tax rates, or interest rates can affect the performance of the Underlying.

Inflation Risk

The value of your investment and any returns you may qualify for are not linked to inflation. If inflation is high over the term of the Plan, the real value of the Plan may decrease thus affecting the real value of any returns you may receive.

Early Redemption Risk

The actual risk can vary significantly. If you cash in at an

early stage, you may get less Initial Capital back. You may not be able to sell your Plan easily or must sell at a price that will impact how much return you get back.

Should you elect to withdraw your funds early, these will be available on the settlement date stated on your contract note received from the Administrator and Custodian post your written instructions requesting a withdrawal. However, there is no guarantee that you will be able to withdraw before the Maturity Date, as the decision about whether market conditions are normal will be taken by the Counterparty.

Market Disruption Event

A Market Disruption event might occur, such as trading disruption, changes to the Underlying, or changes in tax legislation. In these circumstances, the Counterparty has the right to determine whether any adjustments to the terms of the Plan are required. These may include but are not limited to adjustments to the opening/final level and substitution of the Underlying. The Counterparty is required to act in good faith when making adjustments.

Liquidity Risk

The Issuer of the Securities and/or Counterparty aims to provide, but cannot guarantee, a secondary market for the Securities during the Investment Term. However, certain market circumstances may have a negative impact on the liquidity of the Securities and result in the partial or total loss of your initial capital.

Subscription Risk

If the Plan is oversubscribed your application may not be satisfied, and any payments received in excess of the total trade size initially agreed will be returned.

Regulatory risk

Under the EU Bank Recovery and Resolution Directive (BRRD), national supervisory bodies have certain powers to intervene with failing financial institutions which they determine could cause financial instability or public harm. If the Counterparty becomes subject to this resolution, your investment may be early redeemed, cancelled or converted into equity amongst other measures which could adversely affect the value of these securities.

IS THIS PLAN SUITABLE FOR YOU?

This Plan is designed for UK investors with the investment characteristics outlined below. You should speak with a financial adviser to determine whether the Plan is suitable for your individual situation.

Market view

You should have neutral or positive expectations for the performance of the Underlying because this is required for the Plan to make money. Otherwise, this Plan does not suit your market view.

Customer type

This Plan is designed for retail investors who receive advice from their investment advisor prior to investing in the Plan.

Knowledge and experience

You have some knowledge or experience of similar investments, financial markets, and the Underlying, which allows you to understand the risks associated with this Plan. You have read the Brochure and the associated KID and understand how this investment works.

Risk tolerance

You should be comfortable with the level of risk described in this document and the associated KID. Otherwise, this plan does not suit your risk tolerance.

Ability to bear losses

You understand that any potential growth in capital invested will depend on the performance of the Underlying and that if the Counterparty defaults, you could lose your capital and Potential Investment Returns.

Investment term

You acknowledge that Potential Investment Returns may not be paid until the Investment Term ends and that you are willing to invest your Initial Capital until then. You understand the Plan may mature early.

Objective

You are seeking the opportunity for growth, not income at the time this Plan is launched. They should also be willing to accept that the interest is conditional, and they may not get any interest at all.

Distribution Channel

We highly recommend taking professional financial advice.

Vulnerable Customers

Customers with certain characteristics may be vulnerable to poor outcomes, especially if the plan does not perform as expected. The elderly, digitally averse, anyone suffering a bereavement and those suffering an income shock should proceed with caution. Customers who think they may have characteristics of vulnerability should seek professional financial advice.

IF YOU DO NOT AGREE WITH ALL OF THE STATEMENTS ABOVE, THIS PLAN MAY NOT BE APPROPRIATE FOR YOU.

IMPORTANT: We highly recommend taking professional financial advice before deciding whether to apply for this Plan. We do not provide tailored advice on customers' specific needs, or if they fall within our target market. The information provided on this page is not investment advice or an investment recommendation. We have not taken individual circumstances into consideration.

WHO IS INVOLVED WITH THE PLAN?

Plan Manager

Causeway Securities Limited ('Causeway Securities') is the Plan Manager and will outsource the administration and safekeeping of client assets to the Plan Administrator.

Causeway Securities is an independent cross-asset brokerage authorised in the UK by the FCA. We offer a personalised and independent service to source and manage bespoke structured investment solutions, exclusively designed to meet our clients' varying risk and return profiles.

We are responsible for designing and arranging the Plan, working with the Counterparty and the Guarantor of the Securities (who are responsible for the investments that the Plan is based on), and promoting the Plan. We do not offer financial advice or guidance on tax issues. However, we believe it is most important to seek advice on these matters, prior to investing in this Plan. We also arrange support for the professional advisers who use the Plan with their clients.

Plan Administrator

James Brearley & Sons Limited, also known as James Brearley, is the Plan Administrator. They are responsible for providing administration and custodian services for the Plan. As an investor in the Plan, you will become a client of James Brearley. This means that they have several responsibilities towards you. These include processing applications during the offer period, acting as your agent in purchasing the Plan on the Start Date, processing all payments that are due during the investment term and at Maturity, ensuring the safekeeping of the investments and any cash held within the Plan, communicating with you throughout the term (such as providing statements and valuations), and offering general administration support to both you and your professional adviser throughout the Term of the Plan.

Please read the Plan Administrator Terms and Conditions before investing. These are available from your financial adviser or at www.causeway-securities.com

WHO IS INVOLVED WITH THE PLAN?

Issuer of Securities

BNP Paribas Issuance B.V. is the Issuer of the Securities and the Counterparty is BNP Paribas. They have not prepared this document and therefore accept no responsibility for its contents, nor any liability for any losses in connection with the information contained herein.

Potential investors should note that in purchasing any product described in this document, you will be purchasing from Causeway Securities as principal and not as agent for BNP Paribas or any of its affiliates. You therefore will not have any contract with BNP Paribas or its affiliates. BNP Paribas and

its affiliates specifically disclaim any liability for any direct, indirect, consequential or other losses or damages including loss of profits incurred by you or by any third party that may arise from any reliance on this document.

Causeway Securities have prepared this document and accepts responsibility for its contents. For more information on the Issuer of the Securities and/or Counterparty, please visit their website www.bnpparibas.com.

Guarantor of the Securities Rating

Relevant credit ratings and outlooks for BNP Paribas ('Guarantor of the Securities').

The credit ratings relate to the guarantor not the Issuer of the Securities.

Credit ratings can be used to evaluate an institution's creditworthiness. They are assigned by independent organisations known as credit rating agencies. The below table provides ratings from three main Credit Rating Agencies.

For more information on credit ratings or other methods of assessing the financial strength of a Counterparty, please consult your financial adviser.

AGENCY	RATING	OUTLOOK
Moody's	A1	Stable
Standard and Poor's	A+	Stable
Fitch	A+	Stable

IMPORTANT: The credit rating is subject to change during both the offer period and the Investment Term. Any information on credit ratings provided in this Brochure is correct as at 21 July 2025. The credit ratings can change at any time without notice.

FEES AND CHARGES

Causeway Fees

Causeway Securities will receive a fee from the Counterparty for arranging this Plan. The charges have been fully accounted for in the calculation of the Potential Investment Returns and are expected to equate to approximately 1.7%. The exact amount can be affected by various factors during the offer period.

The fee covers the set-up, and the Plan costs, as well as contributing to Causeway Securities marketing and distribution costs, general operating costs and profits.

Other Fees

Should you decide to encash, withdraw or transfer your Plan at any time during the Investment Term, an administration fee of £100 will be charged and retained by James Brearley. The fee covers the administrative and processing costs in relation to receiving client instructions, arranging the sale and settlement of your Plan, and transferring the sale proceeds to you.

Adviser Fee

Causeway Securities requires that applications to invest in the Plan are submitted through a regulated financial adviser. The amount of any Adviser Fee payable for their service is something you should discuss and agree with your adviser.

You may instruct payment of an agreed initial Adviser Fee from the money you sent with your application. If you want to do this, you should include the amount and instruct James Brearley in your application. James Brearley will pay the Adviser Fee, deducted from the money you have sent, to your adviser's firm.

The amount of any Adviser Fee must be set out in your application. If you change your mind about investing after your application has been accepted, it is likely that your Adviser Fee has already been paid to your financial adviser and neither James Brearley nor Causeway Securities will be able to return the authorised Adviser Fee to you.

AVAILABILITY

The minimum investment amount on the Plan is **£10,000**.
There are a number of ways you can invest in the Plan.

	Direct Individual/ Joint	ISA Stocks & Shares	ISA Cash	ISA Transfer	Pension	Trustees/ Companies
Availability	Yes	Yes	No	Yes	Yes	Yes

It is our understanding of current legislation and known HMRC practice that any investment return from direct investment by individuals or Trusts into this Plan is expected to be subject to Income Tax. Investors should obtain their own tax advice.

We do not provide tax advice so you should discuss with your financial adviser what is the best and most tax-efficient option for you. Further information about tax in the UK, ISAs and pensions, is available from the UK government website at www.gov.uk

IMPORTANT: For your own benefit and protection, you should read the brochure and all of the Terms and Conditions relevant to this Plan before completing the Application Form. If you do not understand any point, please ask your financial adviser for further information.

FREQUENTLY ASKED QUESTIONS (FAQ'S)

What should I do if I want to complain?

Both Causeway Securities and James Brearley have a comprehensive complaints procedure that adheres to the principles of treating customers fairly. If you wish to make a complaint, this can be made verbally, by telephone or in person, or via a written communication delivered in person, via post, e-mail or fax. In the first instance, the complaint will be handled by the Complaints Officer of the firm your complaint is addressed to, who will conduct an initial investigation and attempt to reach a fair and impartial conclusion.

If you are not satisfied with the way your complaint is dealt with you can refer your complaint, free of charge, to the Financial Ombudsman Service at Exchange Tower, London, E14 9SR Telephone: 0800 023 4567 Website: **www.financialombudsman.org.uk** Referring to a complaint does not prejudice your right to take legal action.

Can I change my mind?

Yes. You have the right to change your mind and cancel your investment. You will be issued with a cancellation notice by the Plan Administrator when they accept your Plan Application.

If you want to cancel your Application, the Plan Administrator must receive your completed cancellation notice within 14 days from the date they send it to you. Cancellation notices should be addressed to Causeway Securities Limited, c/o James Brearley & Sons Limited, PO Box 34, Unit 2, Burton Road, Blackpool FY4 4WX.

If the Plan Administrator receives your cancellation notice prior to the Start Date, they will cancel your Application for the Plan and you will receive a refund of your Initial Capital (in other words, your Payment less any Adviser Fee that has been authorised).

If the Plan Administrator receives your cancellation notice after the Start Date, they will cash in your Plan, and you will receive the market value of the Plan on the date that the Plan Administrator completes your cancellation instruction. This may be less than you invested if the value of the Plan has fallen.

If I cancel my investment, what happens to any Adviser Fee?

If you decide to cancel your investment, the Plan Administrator may have already taken and paid your authorised Adviser Fee to your adviser. This means that you would need to contact your adviser to discuss whether they can return the fee to you.

FREQUENTLY ASKED QUESTIONS (FAQ'S)

What happens if the Plan is oversubscribed?

When a Plan is in the process of being constructed, an initial trade size is agreed between Causeway Securities and the Issuer of the Securities. The amount of investments received and the amount raised is closely monitored and when approaching the initial trade size, Causeway Securities discusses increasing the size of the trade with the Issuer of the Securities to accommodate any additional investments.

On occasion, the two parties may be unable to agree on viable terms to increase the trade size and as a result, the initial trade size may represent the maximum amount that can be accepted into the Plan. In this instance, the Plan will be closed early, and any Payments received in excess of the total trade size initially agreed will be returned to the Investor.

What information will I receive?

You will receive a confirmation note and details of the final terms of the Plan once your investment in the Plan is made. You will then

receive a quarterly valuation report as of the end of March, June, September, and December, along with a tax report each May, to include amongst other things a consolidated tax certificate and supporting income schedules. These documents will all be made available via the James Brearley website. Access rights to the site will be forwarded to you by James Brearley.

If you have additional questions, please contact your financial adviser.

How much am I able to invest?

The minimum Investment amount is £10,000. The full amount will be invested in the Plan unless you have instructed a payment to be made to your adviser as a fee from this amount. The amount invested will then be the full amount minus the adviser fee. You can invest through an ISA. For the 2025/26 tax year, the ISA allowance is £20,000. The 2025/26 tax year runs from 6 April 2025 until 5 April 2026.

Can I cash in my Plan before it matures?

Yes, you may encash some or all of your Plan before the Maturity Date but take into consideration the fact that Potential Investment Returns are structured on the basis that the Plan runs until Maturity. An early encashment may result in you receiving an amount that is less than you originally invested. You may encash your Plan by providing the Administrator and Custodian with your written instruction to that effect. You will be charged a total administration fee of £100 which will be charged by James Brearley. The proceeds will then be repaid to you as per your instructions or in the case of an ISA, retained in your ISA. Please refer to clause 9 of the Plan Terms and Conditions for more information on early encashment.

FREQUENTLY ASKED QUESTIONS (FAQ'S)

What happens if Causeway Securities or James Brearley becomes insolvent?

Causeway Securities is responsible for designing, promoting, and distributing the Plan and monitors the performance of the Plan throughout its term. James Brearley is the Administrator and Custodian of the Plan. Therefore, when submitting an application to invest you will be agreeing to become a client of James Brearley. The client relationship will be between you as the client and James Brearley. James Brearley will be responsible for providing all documentation and making payments to clients from the application stage to Maturity.

Causeway Securities is responsible for paying for the services of James Brearley for the ongoing custody and administration of your investment, the cost of which is paid by Causeway Securities to James Brearley when you buy your Plan. This payment covers the services required by James Brearley to satisfy the regulatory and client requirements that a Custodian/ Administrator must provide for the full term of the Plan. As Causeway Securities never holds any of your money or your investment after your

money is invested, your Plan will not be affected should Causeway Securities enter administration/ liquidation. James Brearley as the custodian has responsibility for administering your investment on your behalf for the term of the Plan. Strict rules relating to the administration of client monies and assets dictate that there must be segregation between a client's holdings and that of the company acting as Custodian. Therefore, should James Brearley encounter any financial difficulty, neither your money nor your investments should be affected. Your payment will be held in cash prior to the purchase of your investment and following its maturity.

During these periods, your money will be held in a segregated client money bank account with an authorised and regulated Bank or Building Society. In the unlikely event that James Brearley enters administration during either the period prior to the purchase of the securities or after the maturity of the Plan, your money will be returned to you by the insolvency practitioner. Should James Brearley enter administration during the term of the Plan the insolvency practitioner would facilitate the transfer of your

investment to an alternative Administrator and Custodian. In the event of any shortfall in the client monies or the nominee position in relation to your investment held by James Brearley, under current regulation up to £85,000 will be covered for each investor by the Financial Services Compensation Scheme (FSCS). For more information, please refer to Clause 28 in the Plan Terms and Conditions.

James Brearley, as Administrator and Custodian will act as your agent for the investment of your Initial Capital in the Plan described in this Brochure and you will be treated as a Retail Client in accordance with the FCA's Conduct of Business rules.

IMPORTANT INFORMATION

This Brochure has been prepared as a financial promotion by Causeway Securities Limited, registered in England and Wales, Registered Office: Causeway Securities, 60 Cannon Street, London, England, EC4N 6NP. Registration Number: 10102661, authorised and regulated by the Financial Conduct Authority (FCA), Financial Services Register Number 749440.

It is important that you read this Brochure in full in conjunction with the Counterparty's Key Information Document (KID) before deciding to invest. It provides information that is essential in understanding the potential risks and rewards of investing in this Plan. The information within this Brochure is not advice nor should it be considered so as neither Causeway Securities nor our appointed Plan Administrator, James Brearley & Sons Limited, provide advice as to whether this investment is suitable for you. The information in this brochure does not constitute tax, legal or investment advice. We require that you take financial advice from a financial adviser before investing in this Plan. James

Brearley & Sons Limited cannot accept an application from you if it has not been submitted through an FCA-regulated financial adviser. This Brochure has been approved by Causeway Securities Limited as a financial promotion pursuant to s. 21 of the Financial Services and Markets Act 2000. Causeway Securities Limited is authorised and regulated by the UK's Financial Conduct Authority (749440).

The Glossary defines the terms used in this Brochure, normally such terms are capitalised.

Information on past performance is no guide to or guarantee of future performance. The value of an investment can fall as well as rise and is not guaranteed.

You should conduct such independent investigation and analysis of the tax treatment of an investment as you feel appropriate, to evaluate the merits and risks of an investment in the Plan.

The information on taxation contained in the Brochure is based on our understanding of rates of tax, current legislation, regulations, and practice, which are likely to

change in the future and which may be backdated.

Any financial adviser shall fully disclose and agree with its clients the existence, nature, and amount of all the fees it receives in respect of sales of the Plan. They must also confirm any such fee complies with all applicable laws and regulations in all relevant jurisdictions and its receipt does not conflict with applicable regulations or any duty to act in the best interest of any person to whom the financial adviser owes any such duty..

Please read the Plan Administrator Terms and Conditions before investing. These are available from our website at www.causeway-securities.com or from your financial adviser.
